There once was a hockey
stick and a hockey puck.

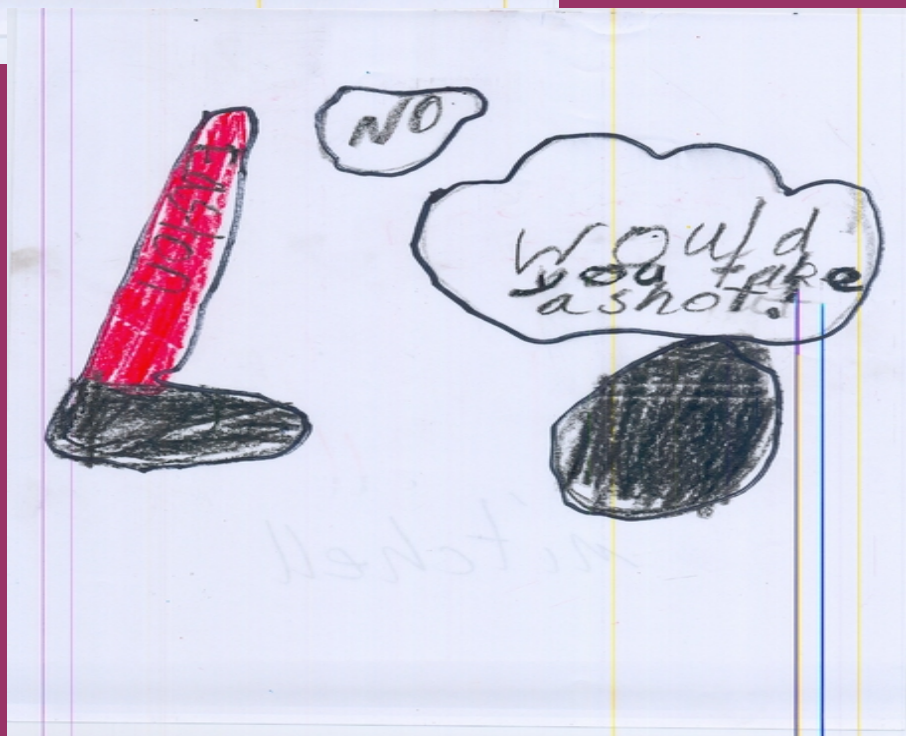

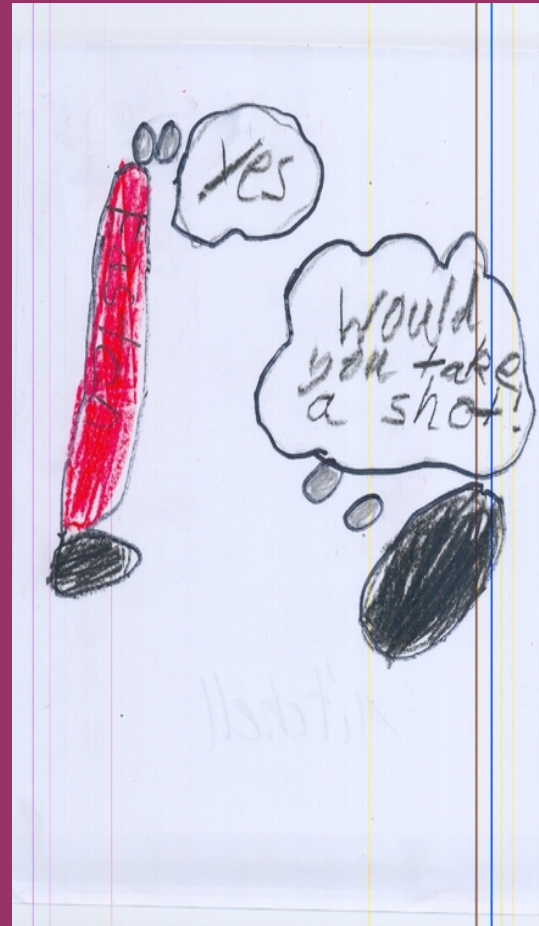

The hockey puck was
excited.

He was going to be used in a hockey game.

The hockey stick heard about the hockey game he was not excited. The hockey puck ask the hockey stick to shoot him to see if it hurts but he said "no" because he was not very good. The puck said "that's ok" and asked the hockey stick to play again and he said "yes". Together they played and remember practice makes perfect!
